DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Richard Gilmore on March 19, 2004.

The application has been amended as follows:

Claim 74 has been canceled in its entirety.

In Claim 73: The term "template." in the last line of the claim, has been replaced with --said mounting assembly further comprising an intermediate support member including a first portion and a second portion, the first portion being disposed between the base plate and the template, the second portion being inserted through an opening in the template, the intermediate support member being adjustable to abut the lower surface of the base plate.--

Reasons for Allowance

The prior art does not show or suggest a basketball goal base plate assembly with a template and base member including an intermediate support member having a first portion and a second portion, the first portion being disposed between the base plate

Art Unit: 3711

and the template, the second portion being inserted through an opening in the template, and said intermediate support member being adjustable to abut the lower surface of the base plate.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Chambers whose telephone number is 703-306-5516. The examiner can normally be reached on 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Steve Garbe can be reached on 703-308-1207. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
